

Planning Commission Staff Report

January 14, 2016

Item 5

REQUEST

Review of the results of the MyMapleton Survey.

BACKGROUND AND PROJECT DESCRIPTION

In the fall of 2015 the City invited Mapleton City residents to participate in an online community survey called MyMapleton. The purpose of the survey was to engage the community in determining what the city is doing well and what could be improved. The survey included questions dealing with community character, roads and infrastructure, parks and recreation, emergency and safety services, commercial development and taxes and assessments.

Staff will review the survey results with the Commission and discuss next steps. The full survey results are available at www.mapleton.org then click on “MyMapleton Survey”.
